Dear Stephen,

I want to express my thanks to you and your company for creating a truly high quality advertising display for the Multi-Cultural Media Expo.

At our first trade show in Los Angeles, many people remarked about how unique and attractive your framed billboard on the side of the trailer was. What a great new concept for advertising! It further confirms that we chose the right company to win the award for "best advertising expo display."

I look forward to having you participate in future expos with us. I know that we can count on Mobile Vision Marketing to come through in a first class way. Thank you.

Thank You Again,
